LIBIK0057 **NEW** / XS-XL

- 27.5" x 4.5" Terrene Cake Eater tires combine low rolling resistance and plenty of grip for soft snow.
- New Geometry adds more stand over clearance, increased pedaling efficiency and improves stability on descents
- Thru-axel for improved steering precision and greater sturdiness
- Dropper seat post to lower your center of gravity for better control on downhills.
- SRAM hydraulic disc brakes with DOT fluid for optimal performance at low temperatures.
- 12 speed wide gear range for access to varied terrain.
- Tubeless compatible rims and tires for easy conversion.
